N. Madhava Rao, Esq., B.A., B.L.,
Chief Secretary to the Govt. of His Highness the
Maharaja of Mysore, Bangalore.

SIR,

I have the honour to make the following proposals regarding abstraction and tabulation in the present census:-

Abstraction and Tabulation Office.- As at the last Census, I propose to have one ~~Ab~~straction Office located in Bangalore City. It seems desirable, however, to employ about 50 more sorters and compilers. This will save time in sorting and compilation and reduce expenditure on superintendence on the whole. For facility of supervision, the establishment will be divided into two nearly equal parts, each to work under one of the Assistants.

Office building.- As no Government building with sufficient accommodation for housing this large establishment ^{of about 250 people} seems to be available. one or two private buildings will have to be taken on rent. It seemed to me at first that "Race View" the building in which my office is now located might be used for one half of the Abstraction Establishment. Part of the accommodation available in this building has, however, to be left free for the use of members of the Legislative Council and Representative Assembly, and the part that remains will not be sufficient for the purpose. It will therefore be necessary to incur an expenditure of about Rs.150/- per mensem for about one year. I shall keep this expenditure as low as possible giving up any accommodation that may be found unnecessary when a definite stage has been reached in the operations.

Pay of temporary establishment.- The pay of sorters, compilers and supervisors at the last Census was Rs.30, 35 and 40 respectively. The pay of supervisors may remain Rs.40/-. But the pay of sorters and compilers may, considering the change in conditions since 1921, be

(2)

be fixed at Rs.25/- and Rs.30/- respectively. The educational qualification expected of sorters and compilers will be of about the S.S.L.C. standard.

Permanent Establishment.- The following permanent establishment is proposed for the abstraction office:--

1 Head Clerk on Rs.50/- per mensem.			
1 Clerk	40/-	"	
1 Record Keeper	35/-	"	
1 Assistant "	30/-	"	
1 Typist "	30/-	"	
4 Daftarbands	15/-	"	each
2 Lutchis	12/-	"	"
2 Peons	11/-	"	"
2 Watchmen	10/-	"	each

This was the strength of the permanent establishment of the Abstraction Office in 1921-22. The whole of it seems necessary. // I have the honour to request that approval of Government may kindly be obtained to the above proposals and communicated to me early.

I have the honour to be,

With reference to your letter No.9563/Census. 14th March 1931 calling for details regarding the strength of the Abstraction and Tabulation Office and the date from which the staff will be entertained, I have the honour to state that the slips are expected to be received from Charges about the middle of next month. The Piece Work Establishment will be recruited in the course of about twenty days to reach a strength of about 200 sorters, about 20 supervisors^{20 Compilers} and 24 attenders. Sanction may therefore be kindly obtained to the following:

- 1) taking one or two buildings on rent not exceeding Rs.150/- per mensem from the 15th April 1931;
- (2) employing the fixed establishment shown in para (5) of my letter No.2517 dated the 6th March 1931 from about the same date; and
- (3) employing Piece Work Establishment consisting of a maximum of 200 sorters on Rs.25 per mensem, 20 supervisors on Rs.40 per mensem, 20 compilers on Rs.30 per mensem and 24 attenders on Rs.14 per mensem, from the same date.

The cost in this connection will be met from the additional grant applied for in my letter No.2804/30-31 dated the 16th March 1931

SIR,

I have the honour to request that sanction of Government be obtained to an additional grant of Rs.18,700/- for Census work in the current year. The details for the amount and the need for the extra provision in each case are explained in the accompanying statement.

Of the provision made already in the budget, I expect that about Rs.1,500 under house-numbering, about Rs.2,000 under other charges and Rs.3,000 under Contingencies of the Central Office and District Charges together may not be spent. I shall make a definite report about this next month.

Full provision for Abstraction ~~Office~~ work has been proposed in the budget for the year 1931-32 sent with my letter No. 2575 dated the 6th March 1931. If as was expected the abstraction office begins in the middle of April, the work is likely to close correspondingly earlier next year. Provision to the extent of about Rs.10,000 in the budget for Rs.31-32 will then be left unutilised. About this also I shall make a definite report later.

I have the honour to be,

Sir,

Your most obedient servant,

CENSUS SUPERINTENDENT

A. Special Charges - Press Charges.

Additional Allotment Rs.3000

The Press has already sent bills to the extent of Rs. 4,300 further printing work has to be done in the course of the next month and a half amounting possibly to about Rs. 1,500. The existing provision in the budget is Rs.2,800/-. Hence the additional allotment.

B. District Charges - Slip-copying.

Additional Allotment Rs.5,700.

The total number of slips to be copied is about 66 lakhs. The amount required for slip copying and slip checking at as.four plus as. four per hundred comes to Rs.33,000/-.The provision in the budget is now is Rs.27,300/-. Hence additional allotment.

C. Piece-work Establishment.

Additional Allotment Rs.9,000.

Slip copying in charges is expected to be over early in April. Slips may be received at Bangalore about the 15th of April. Counting of slips has to begin immediately on receipt of the slips. It is proposed to have about 200 sorters and supervisors in the - first stage. The cost per month will come to about Rs.6,000/-. For the month and a half - half of April and the whole of May - for which payment should be made in this year, a sum of Rs.9,000/- is required.

Fixed Establishment.

This establishment will be required a little before the Abtraction Office is formed. Rs.400 has been asked for for the month and a half.

Contingencies: Allotment ^{Rs.} 600/-

This amount is required for rent for buildings and hire of furniture.

No provision was made under Fixed Establishment and Contingencies in the original budget as it was not certain when the

the budget was framed where slip-copying would be got done. The provision made for Piece-work establishment followed the accounts of 1920-21 and had no reference to this year's requirements. Hence the additional amounts now required.

In continuation of my letter No.2802 dated the 14th March 1931, requesting that sanction of Government be obtained to an additional grant of Rs.18,700 for Census work for the current year and stating that I would make a definite report later about Savings in the existing budget, I have the honour to state that the amounts noted in para 2 of that letter aggregating to Rs.6,500/- may be taken as not likely to be spent and ordered to be reappropriated and used for meeting Press Charges and part of the additional cost on slip copying. The additional grant to be now made may be limited to Rs.12,200 which is the difference between the total additional grant asked for and the amount found by reappropriation.
